MATADOR e.BAG

E-Commerce shipping and return mailer bag

GARANT MASCHINEN

MEMBER OF W&H-GROUP
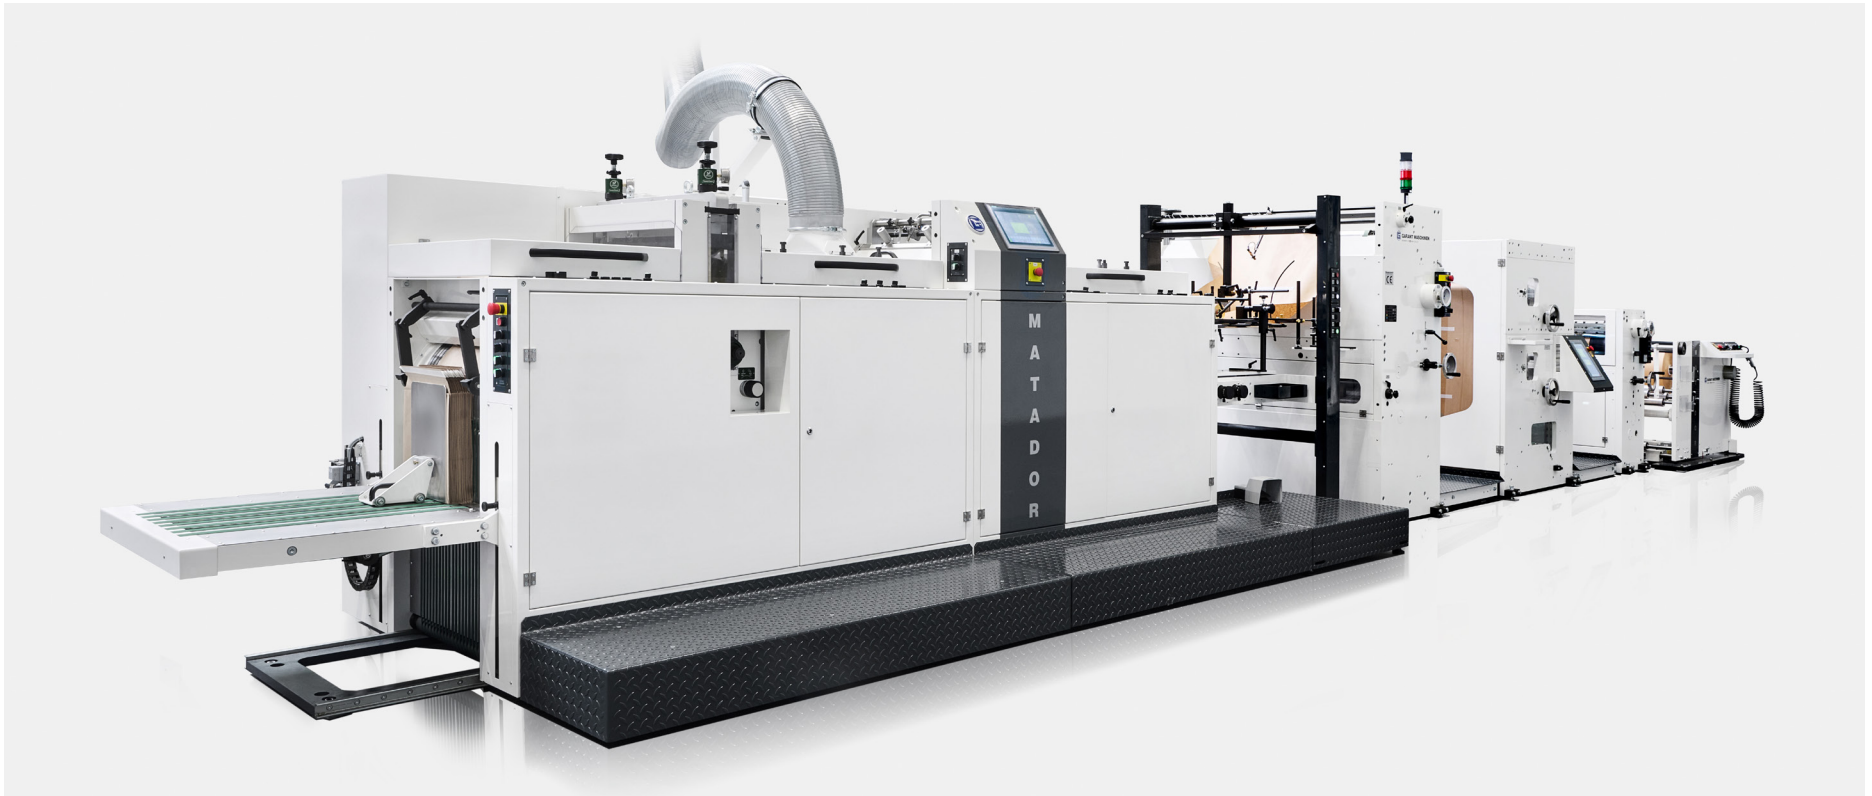

MATADOR e.BAG is the next step towards a sustainable e-commerce business.

With the MATADOR e.BAG, GARANT has a machine in its portfolio especially for the e-commerce market. It offers exactly the solutions that meet the requirements for paper shipping and return bags. This covers fast packaging processes, returns and a growing awareness of the end consumer for sustainable shipping.

Various additional units allow the MATADOR e.BAG to be configured to meet individual needs.

A high degree of innovation, the use of numerous servo drives as well as modern drive technologies ensure high efficiency and guarantee economical and competitive bag production.
